

DIPLOMA ACCOUNTING

(MQA/FA8621) (KPT/N/344/4/0516)

INTRODUCTION

At Unikop College, the Accounting Diploma is specifically designed to equip students with knowledge and skills as well as experience through Education in fields such as accounting, finance, auditing, taxation, cost accounting and also knowledge in the field of entrepreneurship and information technology. The goal of this program is to produce graduates who have financial management and recording skills. Each course built in this program is in accordance with the standards set by professional accounting bodies in Malaysia such as MQA and MFRS. This program is led by lecturers who are not only experienced in the field of Education but also in the field of finance and management. In addition to working in the field of accounting, graduates of this program have the opportunity to further their studies at institutions of higher learning and professional bodies such as ACCA.
